Ball Game Festival Notes

College of Liberal Arts and Sciences, Kitasato University

This year's Ball Game Festival (June 7th and 14th) enjoyed good weather on both days. Everyone who participated competed hard and had lots of fun. The volunteer staff did a great job in preparing a great day for all the participants. Volunteers, in general, do a fantastic and admirable job here at Kitasato University making all kinds of events possible. Many thanks to all the volunteers!
